ABOUT ME

I am Aymane Taoufyq, a Full Stack Developer with 2 years of experience. I specialize in both front-end and back-end development, creating and maintaining high-quality web applications. I am passionate about learning and staying updated with the latest technologies. I'm eager to contribute my skills to innovative projects and collaborate with dynamic teams.

WORK EXPERIENCE

Stage   5/2023 - 10/2023
Masterlys | Web Developer
Thrived as a web development intern at Agency Masterlys, honing skills in front-end and back-end development during a 6-month internship. Actively contributed to website projects, fostering responsive and user-friendly designs.
